# 10 NEW FEATURES

1

## FRESH DESIGN

Fresh design and consistent user interface offer users to browse the site based on their own interests and learn more about Election Process in a more engaging way. The website includes bigger fonts, better typography, and themes to make it content rich, accessible and dynamic.

2

## RESPONSIVE

Website is fully responsive with all mobile devices. The site is accessible in the wide range of popular web browsers like Google Chrome, Microsoft Edge and other portable devices.

3

## FAST AND SECURE

The site has been designed for faster navigation and has the security architecture.

4

## EASY NAVIGATION

The site has been primarily designed keeping in view easy user interface. The content has been classified based upon the user's types i.e. Citizens, Electors, Candidates, Political parties, Researchers, Media, ECI Officials and other stakeholders.

5

## DYNAMIC AND NEW CONTENT

Updating of new content has been decentralized to ensure accurate and fast dissemination of news, circulars, and messages from Election Commission of India.

6

## SOCIAL MEDIA SHARING

The content has been populated in such a manner so that images, news, circulars, and most of such components can be easily shared among social media platforms.

7

## ADVANCED SEARCH

The searches can now be made with keywords, phrases, and also in any combination for any content on the website from circulars, news, elections, tenders, galleries, publications, and archives.

8

## SECURE SOCKET LAYER ENABLED

The Website is secured with SSL (Extended Validation) Certificate and a third-party security audit has also been completed successfully to make the Website more secure.

9

## PwD (PERSON WITH DISABILITY) FRIENDLY

The site has been made accessible for PwDs having accessible features like screen reader access, high contrast, structured headings and more.

10

## CONTINUOUS UPDATION

The new design promises integration and incorporation of new site features, layout, and design to accommodate the changing requirements of the modern era.
