

NVSP

National Voter Service Portal

NVSP-National Voter Service Portal

NVSP - National Voters Service Portal was developed with an aim to provide single window service electors. Through NVSP, a user can avail and access various services such as access the electoral list, apply for voter id card, apply online for corrections in voter's card, view details of Polling booth, Assembly Constituency and Parliamentary constituency, and get the contact details of Booth Level officer, Electoral Registration Officer, among other services.

Service to citizen pertaining to Electoral Roll

The services those are required by the citizens, pertaining to Electoral Roll, are as under:

- (i) Submission facility of the enrolment form by a citizen, who becomes eligible to be enrolled.
- (ii) Submission of objection against the request for enrolment submitted by a person within the Constituency where the objector resides.
- (iii) Submission of request for migration resulting into deletion of applicant's name from one location and getting added at another location, if there is a Constituency change or change in part number and serial number mentioned in the Card if the applicant is transposing within Assembly Constituency.
- (iv) Submission of the request to issue duplicate EPIC Card.
- (v) Submission of the request to schedule a meeting with BLO, after submitting the application because of which, BLOs may come for physical verification.
- (vi) Request for getting the contact and address details of Booth level and Constituency level officials, may be to understand some lawful requirements or any other suggestions.
- (vii) Submitting a request to know the affiliated Polling Station where the voter can go to cast vote.
- (viii) Submitting a suggestion for suitable Polling Station location, so as to participate in a corrective decision of fixing the Polling Station at the Polling Station location.
- (ix) Submitting complaints, if any, pertaining to electoral roll.
- (x) Facility to know the status of requests submitted.
- (xi) Submission of request for switch over from general elector to overseas elector and vice-versa.

- (xii) Submission of request to switch over from general elector to Service Voter and vice-versa.
- (xiii) Submission of appeal to the Appellate Authority against the decision taken by the Electoral Registration Officers or decisions taken by the District Election Officers or decisions taken by Chief Electoral Officer of the State.

To provide these services to citizens National Voter Service Portal (NVSP) was developed

Features of NVSP:

National Voters Service Portal aims to provide single window quality services through user friendly interface for citizen to increase transparency and ease of access of information. The use of cloud services made the National Electoral Search significantly fast and providing search services over more than 92 crore electoral data within a blink of eye.

The national electoral search has the responsive UI which works for both desktop and mobile. There are options for selecting search by details or search by EPIC no. In search by details, user can fill in the required details like, Name, Relative Name, DOB/Age, State and Constituency or select the location from the Google map which is integrated in the page.

Services being currently offered through this portal are

- Search your name in electoral roll
- Apply online for registration as new voter
- Correction of entries or change of address
- Track status of application
- Print voter information slip.
- Know your BLO, ERO and DEO etc.
